Teresa Wyman & Peter Yarensky invite you to join us for a Fall Celebration of traditional Fiddle Tunes of New England, Canada, the British Isles & Scandinavia by the Parish House in Canterbury (inside if it's raining).

The Fiddlers Picnic is sponsored by the Canterbury Conservation Commission (CCC), and is a benefit for the CCC Land Protection Fund; while there is no admission fee, all donations are appreciated!

Musicians: All musicians are welcome. For more details, and a list of tunes we may play, please go to:

<http://www.nhcountrydance.com/picnic> [changed!]

I will bring a keyboard; I hope others will want to play it too.

Everyone (Musician & General Public): We'll have a pot luck supper; we hope you can bring a contribution. Please bring blankets and/or folding chairs if you come to listen; we'll provide chairs for musicians. The CCC will provide beverages, paper goods and utensils.

Musicians of all ages having a great time playing music together ~ we look pretty serious; I wonder what we were playing!
