

Directions to the Dover City Hall

The City Hall is set back from the street and has columns in the front entrance as you go up the stairs. The address is:

288 Central Avenue
Dover, NH 03820

Parking Choices

Parking is available on the street all around the City Hall. At night you can park in the Library parking lot. If you look at the directions from everywhere but Maine, turning at the *second* traffic light on Silver Street puts you on Locust Street. Across from the City Hall on Locust Street is the Library; the parking lot is behind the Library. Do *not* park in the lot on the left side of City Hall (from the front); you'll get a ticket!

From the South

Take ***I-95*** North to Portsmouth. Take ***Exit 4*** (a *left exit*) onto the ***Spaulding Turnpike (Rt. 16)*** North.

In Dover, take ***Exit 8E*** onto ***Silver Street***. Follow Silver Street until it ends (about a mile) at the the third set of lights. You will be at the intersection of ***Central Avenue***.

Turn ***left*** and go a quarter of a mile. ***Dover City Hall*** will be on your left.

There is ***parking*** on the street or behind the building from the Hale Street side. Hale Street is the first road on the left side of the building.

See ***note*** above for other parking alternatives.

From the North

Take the ***Spaulding Turnpike (Rt. 16)*** south toward Dover.

In Dover, take ***Exit 8E*** onto ***Silver Street***. Follow Silver Street until it ends (about a mile) at the the third set of lights. You will be at the intersection of ***Central Avenue***.

Turn ***left*** and go a quarter of a mile. ***Dover City Hall*** will be on your left.

There is ***parking*** on the street or behind the building from the Hale Street side. Hale Street is the first road on the left side of the building.

See ***note*** above for other parking alternatives.

From the Concord Area

Take **Rt. 4** East to the Lee traffic Circle. Go half way around, staying on Rt. 4. Continue for about 1 mile until you come to the **Rt. 155** exit.

Take the exit and turn **left** onto **Rt. 155** North. Continue on Rt. 155 for approximately 5.5 miles.

Go through the first set of lights and cross over the **Spaulding Turnpike** in Dover. Rt. 155 becomes **Silver Street** after the overpass.

Follow Silver Street until it ends (about a mile) at the the third set of lights. You will be at the intersection of **Central Avenue**.

Turn **left** and go a quarter of a mile. **Dover City Hall** will be on your left.

There is **parking** on the street or behind the building from the Hale Street side. Hale Street is the first road on the left side of the building.

See **note** above for other parking alternatives.

From the Manchester Area

Take **Rt. 101** East to **Rt. 125** North. At the Lee Traffic Circle, take **Rt. 4** South for about mile until you get to the **Rt. 155** exit.

Take the exit and turn **left** onto **Rt. 155** North. Continue on Rt. 155 for approximately 5.5 miles.

Go through the first set of lights and cross over the **Spaulding Turnpike** in Dover. Rt. 155 becomes **Silver Street** after the overpass.

Follow Silver Street until it ends (about a mile) at the the third set of lights. You will be at the intersection of **Central Avenue**.

Turn **left** and go a quarter of a mile. **Dover City Hall** will be on your left.

There is **parking** on the street or behind the building from the Hale Street side. Hale Street is the first road on the left side of the building.

See **note** above for other parking alternatives.

From Maine and the Atlantic Provinces

From **I-95**, take the **Wells Exit** and take a **right** at the end of the exit ramp onto **Rt. 109**. Shortly you'll come to **Rt. 9**.

Turn **left** on **Rt. 9** toward North Berwick; follow it for about 6 1/2 miles until you come to North Berwick. *Note:* In both North and South Berwick and Dover the speed limits are rather low approaching and exiting town, and you risk getting a ticket if you go as fast as might seem comfortable.

In North Berwick take a **left** at the light. You're still on **Rt. 9**, but now stay on **Maine Rt. 4** which you've joined; Rt. 9 branches off toward Berwick shortly. Continue another 6 1/2 miles until you reach South Berwick.

In South Berwick you come to a **T** intersection. Take a left; you're still on **Rt. 4**. Stay on Rt. 4 bearing to the right at the intersection with Rt. 236 and you'll get to the **New Hampshire** State Line; you're now on **NH Rt. 4**. From there it's about 4 miles to downtown **Dover**.

As you come in to town you'll pass the *Dover Ice Arena* and *Outdoor Pool* on your right. When the road forks, **bear left** down a hill.

At the end of the street you will be come to a one-way road. You will be facing a *large mill building* across the street. **Turn right** and get into the **far left lane** as you want to be in a position to reverse direction at the top of the hill. *Note:* It's best not to turn until you can get into the far left lane right away.

At the **first set of lights**, bear **left** and get onto the main street; get into the **right lane**. *Note:* Again, it's best not to turn until you can get into the right lane right away.

You'll pass through downtown Dover, and go across the **Cocheco River**. At the set of lights at the next intersection, go straight through the lights and City Hall will be on your right almost immediately.

There is **parking** on the street or behind the building from the Hale Street side. Hale Street is the road on the right just before the building.

See **note** above for other parking alternatives.
