

2011: RPDLW Work Exchange

(E)mail Dave Bateman with questions or your request for a work exchange position
RPDLW.Registrar@comcast.net

The way I'll run the (waiting) list this year:

A registration with application fee included is added to the list on the date I receive it
An email / snail mail / personal contact or phone request gets a temp position on the list
you have 10 "business" days to get your registration form & check to me (not postmark)
otherwise the temp position is lost and your place on the list is the order of reception

Final selection will be based on the job needs and your restrictions and experience.
I try to accommodate your requests for job and time assignments; but sometimes the
schedule does not permit that flexibility.

1. Tell me which of the following jobs that you ARE WILLING TO DO:
 - sweeping dance floor?
 - sitting at registration table during lunch times?
 - sitting at registration table during banquet?

2. Could you arrive early Friday to help set up? ___ yes ___ no
If yes, please say what time (3 to 7PM) you could show up: _____

3. Could you help clean up after the final session Sunday? ___ yes ___ no

4. Have you worked at RPDLW before? What year(s) and do you remember what jobs?

5. Please indicate other preferences or restrictions, and I will do my best to accommodate.
Now please list the general preferences by session time or other constraints.
After the performance schedule is available; you will have the option to put in
requests for specific times before I finalize the work schedule.

Thanks for your help

Dave Bateman; RPDLW Registrar
